

SFCA Secondary Computer Recommendations

Below you will find some specifications and recommendations made by the Technology Department to help families in selecting a personal laptop/tablet computer for use with integrating technology in grades 6-12 for the upcoming **2021-2022** school year. The computers listed below are not mandated, but they are a researched list of current, highly rated computers for student use. Prices for these units range from \$200 to \$2000. It is important for you to do your own research before making a purchase, but thought the following recommendations would be helpful.

Recommended Specifications:

- Operating System (OS): Windows 10 or Mac OS 10.12 or higher
- Processor: Core i7 or higher
- Memory: 8 GB RAM or higher
- Hard Drive: 500 GB or higher

Specific Computers with high ratings:

- Microsoft Surface Pro or Go
- Lenovo ThinkPad Yoga
- HP Envy
- Apple MacBook (Air or Pro)
- Acer Chromebook Spin

Additional information:

All computers must have Google Chrome Internet browser downloaded on them before being brought to school.
