

Chemistry Signature Form – Applied and General – 2023/2024

We (my child and myself) understand the importance of keeping up with CN and what is expected from the assignment. _____ initial here

We (my child and myself) understand the importance of reading the lab experiment before coming to class and to ask any questions if needed. We also understand lab safety points will be removed from the gradebook if procedures are not followed appropriately. Finally, we understand safety is important and the student may be asked to leave the lab if procedures are not followed by themselves or their group. _____ initial here

We (my child and myself) understand the importance of keeping up with class content for writing the lab analysis. It is the student's responsibility to be prepared for class to make efficient use of time when doing the lab write analysis. If the student is unprepared, they may not finish the write analysis (quiz grade) in the time allotted. _____ initial here

Absences – Please be familiar with the student handbook regarding absences.

- If you are absent – sick or otherwise, whatever was due that day is due the day you return. _____ initial here
- If you are taking a vacation with family or school (sporting event, choir, etc....), you must tell me so that I can give you your work, so you do not fall behind. _____ initial here
- If you are at school at any point in the day but miss my class, you are responsible for turning in the day's work and getting what you missed from my class. This is your responsibility; I will not seek you out. You will get 0's for the work if not handed in or picked up. _____ initial here

Availability –

- Help sessions and study sessions are available every Wednesday from 2:50-3:30. There is no need to make arrangements with me, as I will be there waiting for you. _____ initial here
- You can find the days of the study sessions on the weekly home note. _____ initial here

Tests/Quizzes –

We (my child and myself) understand there are no tests retakes or test corrections. Bonus round on test is only if you complete the entire test. If you are tardy without a pass and miss the reading and vocabulary quiz, you will take a 0. There will be an alternative test given to those who do not take the test on the date given. _____ initial here

Parents AND students, check out Canvas to see the resources your child will be given during this class (extra practice, extra credit, videos). Parents, there is also a place just for you on Canvas if you are interested in helping your child through chemistry this year. If your child is struggling, this is where you can look for ideas on how to help them at home.

- ***My child and I have read the entire syllabus and understand this is a signature sheet, the full syllabus is posted on Canvas and on the school website. You are responsible for ALL information, not just this signature sheet.***
- ***My child and I have logged into Canvas to view all the resources they can expect to have during the year.***

By signing this form, you have read the complete syllabus and understand the basics rules, expectations, and importance of home learning on achieving a desired grade for the class.
