Class Expectations (classroom rules/consequences)

In order to maintain a classroom environment which is conducive to effective learning, teachers will establish standards they deem necessary. However, all classes will maintain the following standards as outlined in the student handbook.

Student Expectations

- It is expected that every student will conduct himself in an orderly, courteous manner at all times with prompt and respectful obedience to all school personnel, following all adult direction without comment. If a student questions a teacher’s decision, he/she should speak to the teacher privately after class. At that time, he/she should respectfully explain the situation and wait for the teacher’s response.

- It is expected that every student will respect the feelings and rights of others. This includes students, teachers, and visitors.
- It is expected that every student will conduct himself in an honest manner, avoiding such actions as lying, stealing, and cheating.
- It is expected that every student will be on time to each class and be prepared with a proper mental attitude and all their necessary materials, books and assigned work.
- It is expected that every student understands that the teacher’s desk, computer, and other personal belongings and work area is personal property and will be treated as such.

After School Expectations

The majority of the class is held within school hours. However, there are a few exceptions.

- March 25, 2024 – Praise Band’s *Night of Worship at 6:00pm* (practices will be held in class)
- Operation Christmas Child Chapel (could be prior to school hours – dependent of the weather this year)

It is expected that every student will remain in compliance with the classroom teacher’s rules, policies, and procedures.
