Tuition

The obligation to pay full annual tuition to SFCA for each academic year becomes binding on January 20th unless SFCA receives a written notice of withdrawal by submitting the Opt-Out Form on or before January 8, 2027. A $300 Continuous Enrollment Fee (CEF) is billed and due by January 20, 2027. Withdrawals submitted after the Opt-Out deadline date will result in a withdrawal fee equal to one full month's tuition, as noted in the chart below, which will be billed to the student's FACTS tuition account. A paid CEF will not be refunded or deducted from the withdrawal fee. We will hold official school records until the FACTS account balance is paid in full. Students who opt out will forfeit their seat and must reapply as a new student.

FACTS Pre-Pay Lunch Account:

SFCA uses the FACTS Pre-Pay Lunch Account feature to let students purchase items from the school's Food Service lunch line. Parents can add funds to this lunch account through their FACTS Family Portal Account. Students access these funds by presenting their proxy card to Food Services staff at checkout.

FACTS Family Portal:

Parents must set up their financial information in their FACTS Family Portal Account, including an active bank account that can be debited, no later than June 1st. Tuition payments will be debited automatically from your checking/savings account. A parent may elect to set up a credit or debit card in FACTS for tuition payments, which includes a service fee. FACTS will charge an annual enrollment service fee per family for tuition management. FACTS will withdraw all monthly tuition payments on the 20th or 22nd of each month, except in January and June. Please note that the only payment dates available are those listed above.

- Withdrawal Fee: Minimum of one month's full tuition that is non-refundable and non-transferable.
- Late tuition payments will be assessed a $25 fee more than 15 calendar days after the due date.
- Returned tuition payments for insufficient funds will be assessed a $25 returned payment fee.

FACTS Financial Aid:

If financial aid is needed, a parent may complete the online FACTS Financial Aid Application at www.online.factsmgt.com/aid after submitting the SFCA Admissions Application and paying the Enrollment Fee. Financial aid is awarded based on financial need as recommended by FACTS and available funding. Completing the Financial Aid Application does not guarantee the receipt of an aid award nor ensure continued awards for future years. You must reapply each year and demonstrate continued financial need. There is an application fee to apply for FACTS Financial Aid.

Step Up for Students Scholarship:

SFCA accepts two scholarships in the Step Up for Students Scholarship Program: the Florida Tax Credit Scholarship (FTC) and the Family Empowerment Scholarship-Educational Options (FES-EO). We cannot accept the FES-UA Scholarship for Unique Abilities. Please visit the Step Up for Students website at www.sufs.org for more information. (We cannot accept funds from other scholarship funding organizations other than Step Up.) A student's Step Up Scholarship must be renewed each school year. Step Up issues an annual Scholarship ID number to an awarded student, which must be provided to the school upon receipt. This allows the school to submit the Step Up Enrollment Form on the student's behalf for parent approval through the student's Step Up EMA account.

As a reminder, an enrolled student's finalized FACTS tuition schedule is a financial agreement between the parent/guardian and SFCA, not with Step Up. Any remaining FACTS tuition and fees balance owed to SFCA by the end of May, not covered by scholarship funds previously received by the school, is the parent/guardian's financial responsibility.

Education Freedom Tax Credit:

Beginning in January 2027, eligible taxpayers can redirect a portion of their federal tax liability – up to $1,700 per taxpayer ($3,400 total if married filing jointly) toward scholarships that help students receive the education that best fits their needs and values. SFCA has partnered with the Children's Tuition Fund as our Scholarship Granting Organization (SGO). Visit RedirectMyTaxes.org for more information.
